In the Saturday game Ogden made four in the third, which lost the game to the Duble players. She made another in the fourth to cinch the lead, and then Salt Lake got busy. Counting her two in the third as a nest egg, she fed the victory bird egg food, and got two more in the fifth, and tied the game in the sixth. Then they both drew goose eggs for eight inchings, when Ogden drew another and ended the game. The winning run was made by hern. He made first on a wild throw by Beck. Salt Lake got a good lead early but couldn't hold it late, as the team played amateurish ball too long, while Ogden got down to business and fought for place. Romney was hit ten times while Blerrud of Ogden was in good form and couldn't be located. Forces about 8 ounces of blood out of the heart, and sends it coursing through the veins to the remotest part of the body. This is the amount required by nature to nourish and sustain your body. Every ounce less than this means a shortage in nature's supply of building-up material. A weak heart cannot meet this demand, and consequently you suffer. If your heart skips a beat, or flutters, palpitates, pains you, or you have shortness of breath, you may be sure that the heart is working imperfectly.

Dr. Miles' Heart Cure will strengthen the heart muscles and nerves.

Denver, July &-The Broadmore Athletic club of Adams county yesterday secured a first class attraction for July 20 at the close of the Elks' convention, when Fighting Dick Hyland, now in this city, was matched to meet Young Mowatt, the "fighting conductor" of Chicago in a twenty-round bout. SILVER SHIELD MINING & MILL-

o'Keefe, whom he defeated on two different occasions. He has also knocked out Tim Callahan in three rounds and has fought three draws with Benny Yanger and with Kid Herman, Charley Neary, Kid Sayers and Abe Aitell.

The Hyland-Mowatt fight should be one of the fastest contests that has been pulled off in the city for some time, as both men have good reputations for fast milling. Railroad tiekets were yesterday forwarded to Mowatt, who will start for Denver at once. He will arrive here early this week. This fight will be pulled off in a tent at the end of the Stout street car line. Young Erienbor of this city and Kid Teas of Pueblo will fight ten rounds as a semi-windup. There will be two other preliminaries on the bill. Shows Interest in Gay Old Town by San Francisco, July 8.—E. Graney and W. Britt exchanged a few waitops, figuratively speaking. Saturday at long range. There was nothing victous or aerimonials about their shots; but they were shots, nevertheless. "You can say that as far as Jimmy Coffroth and I are concerned, we are now ready to take the dates assigned us by the supervisors," remarked withe Saturday, his chest heaving soveral totches. fire Mr. Graney urged that the four clubs time we opposed this scheme, but after thinking the matter over, Mr. Coffron and I have concluded that Mr. Graney's plan is all right." Then Willie paused to bite an inch off his immense perfecto, and as he chewed at the weed a cunning smile crept over his rotund face.

"What's up now that you should accept Eddie's division of the dates?" asked the write, who had forgotten just what months the four clubs were to have.

"Oh, nothing," chuckled Willie. "We want peace, that's all. Coffroth and I are ready to give in to Graney to have it. Graney says he has a place to pull off his fights. I believe he claims to have leased a skating rink. We have Colma left, which we intend to use, and when the time arrives I think we will be able to find a place in San Francisco to hold fights. We won't be left out in the Cold."

New York, July 8.—Bill Nolan, manager of Battling Nelson, accompanied by a brother manager, Al Lippe, is in New York. The first question after greeting friends was, "Will Nelson fight Gans?"

"Well," said Nolan, as he dropped into a chair, "that is the only question that people ask me. But I will say this much—that, with all the talk about Gans, I have not seen the color of any of his money. The talk that I will draw the color line is nonsense, as I never said anything to that effect. The only reason that I am keeping 'Bat' from jumping into a match with Gans is that both of us feel very sore over the way we were treated in Baltimore when Gans seconded Sullivan in his fight with Nelson.

"In that fight Gans smcfred amonia over Sulivan's gloves and nearly blinded Bat." That kind of a game does not appeal to me, and I don't think any fairminded man will blame me for not hugging Gans whenever we meet." PROPERTY.
